FREQUENTLY ASKED QUESTIONS

Is parking available onsite?

We have a total of 96 parking spots on site. 56 spots in our upper & middle lots for guests, and 40 spots in our tandem parking garage for vendors. Overnight parking is not suggested. Our gates will lock at the conclusion of the event, and guests will not be able to obtain their vehicle until 8:00am on the next weekday. Parking Map available by request. *Use of all parking spaces is not guaranteed, unless the full facility has been rented.*

Can your venue accommodate buses?

Yes, there is a bus loop in our main parking lot. This parking lot can accommodate most Coach & Charter buses.

Is the Fluegel Alumni Center handicap accessible?

Yes, we are ADA friendly and have various handicap parking spaces available in our two parking locations, have an elevator that reaches all event spaces, and have handicap accessible restrooms.

Can I bring in my own cake or desserts, or does it need to be provided by my caterer?

Yes, you may order a cake from the bakery of your choosing! Please be sure to update your caterer if you do not plan on using their services for this item.

Can I have an outdoor reception?

Yes! Our Young & Sullivan Terraces are the perfect place to dine & dance under the stars overlooking College Creek. A tent is not included with the rental of these spaces and would be an additional cost to the client. Further, all tables, chairs, and dance floor on the deck must be rented, as our included inventory items may not be used outside. Your Venue Coordinator will assist you with the rental of these items through one of our trusted rental providers.

Are linens, china, glassware, decor and dance floor included?

Any linens, china, glassware, flatware, etc. will be rented through your chosen caterer. You are welcome to either bring your own personal decor items or obtain decor through a separate vendor. A dance floor is not required, but the Fluegel Alumni Center does have a dark maple floor in our inventory to rent.

Are there any decor restrictions?

Decor that requires nails, staples, tacks, etc. anywhere in the facility will not be permitted. Glitter, confetti, loose streamers, and Silly String are prohibited. Open flames must be contained in a hurricane glass or vessel that exceeds the height of the flame. Sparklers are permitted outside, however a method to put out the spark must be provided by and disposed of by the client. *(Bucket of sand recommended)*

Do you provide a Day of Coordinator? Or do I have to hire one?

A Venue Coordinator will be present on the day of your wedding; however, they are responsible for building maintenance, furniture setup, and to be available to you and your vendors. As we are handling a variety of important building details relating to your big day, we require a Day of Coordinator be present to oversee the array of other important details. Wedding Coordination services can be added to your Contract as an “ad-on” service, and be completed by an experienced planner on our staff. You may use the coordinator of your choice, but your coordinator may not be in the wedding party or a wedding guest. This person would be in charge of creating the timeline, handling logistics, keeping to schedule, seeing to the Wedding Party, décor and placing all personal items on the day of, attending final venue meetings, and more.

May we bring our own alcohol?

No, all alcohol on our premises will be provided by the venue. Ask us about our Consumption and Open Bar packages today! Our Open Bar Package is priced for a 5-hour event. For every additional hour, a charge of \$5 per person will be added. Special order alcohol for items outside of our current menu offerings will be assessed on a case-by-case basis. Should special orders be approved, your venue coordinator will work in conjunction with our facilities team who will price, obtain, and stock your preferred item. Special order beverages may not be “subbed-out” with items we have on our menu and will be an additional cost to the client.

Can we hire a caterer that is not on your list?

If you would like to choose a caterer not on our list, a fee of \$1,000 will be added to your contract, and 10% of your Food & Beverage cost with the caterer would be paid to the USNA Alumni Association. However, it is strongly suggested that you choose a caterer from our Approved Caterers list. We have carefully curated this list of catering vendors due to their knowledge of the facility and operation, local community, service to previous clients, and attention to detail. Each of our caterers are full service, and will handle all set-up, execution, cleanup, and rental coordination. We regularly evaluate the caterers on our list to ensure quality and peace of mind.

What time does my event have to end?

All weddings must conclude by 10:00pm.

Am I able to increase my wedding to 6 hours or more?

If you would like to purchase additional event hours, a \$750 charge per hour will apply. An additional \$5 per person will be added for alcohol. All events still must conclude at 10:00pm.

Any other perks we should know about?

We have an incredible partnership with Minted Weddings which provides a discount code to our clients for all of their wedding stationary needs! This includes 35% off Save the Dates, and then 25% off all other wedding items.
